European regulation (EC) n°1907/2006

## 1. IDENTIFICATION OF THE SUBSTANCE/MIXTURE AND OF THE COMPANY

|                 |                                                            |
|-----------------|------------------------------------------------------------|
| Commercial name | : LUFFA 20 BLUE – LUFFA 30 BLUE                            |
| Re              | : L21 – L01                                                |
| Use             | : Cosmetic ingredient                                      |
| Manufacturer    | : LESSONIA – Croas ar Neizic – 29800 Saint-Thonan – France |
| Phone           | : + 33 (0)2 98 07 23 65                                    |
| Mail            | : <a href="mailto:info@lessonia.com">info@lessonia.com</a> |

## 2. HAZARDS IDENTIFICATION

|                                            |                                                                                       |
|--------------------------------------------|---------------------------------------------------------------------------------------|
| Classification of the substance or mixture | : Not classified as dangerous according to the regulation (EC) n° 1272/2008 (GHS/CLP) |
| Label elements                             | : Not applicable                                                                      |

## 3. COMPOSITION / INFORMATION ON INGREDIENTS

Identification of specific danger for human beings or environment: No hazardous components for labelling

## 4. DESCRIPTION OF FIRST AID MEASURES

|                       |                                                               |
|-----------------------|---------------------------------------------------------------|
| General advice        | : No specific advice                                          |
| Inhalation            | : Go to fresh air if necessary                                |
| Contact with the skin | : Rinse it                                                    |
| Contact with eyes     | : Eliminate the product with water, see a doctor. Do not rub. |
| Ingestion             | : No immediate danger, see a doctor if necessary              |

## 5. FIREFIGHTING MEASURES

|                              |                                   |
|------------------------------|-----------------------------------|
| Suitable extinguishing media | : Water, CO <sub>2</sub> , Powder |
| Explosion hazard             | : Not concerned                   |

## 6. ACCIDENTAL RELEASE MEASURES

|                        |                                           |
|------------------------|-------------------------------------------|
| Individual measures    | : Gloves, glasses and mask can be wearied |
| Environmental measures | : Do not reject in sewer pipes or river   |
| Product elimination    | : Collect the product and put it in drums |

## 7. HANDLING AND STORAGE

|                   |                                                                   |
|-------------------|-------------------------------------------------------------------|
| Storage           | : Screened from humidity, warmth and light – Store away from food |
| Filling materials | : Watertight material                                             |
| Ventilation       | : Good                                                            |

## 8. EXPOSURE CONTROLS / PERSONAL PROTECTION

|                          |                               |
|--------------------------|-------------------------------|
| Hands protection         | : Gloves recommended          |
| Eyes protection          | : Glasses recommended         |
| Respiratory protection   | : Mask recommended            |
| Skin and body protection | : Working clothes recommended |

## 9. PHYSICAL AND CHEMICAL PROPERTIES

|          |                              |                  |                      |
|----------|------------------------------|------------------|----------------------|
| Aspect   | : Fibrous powder             | Solubility       | : Insoluble in water |
| Color    | : Blue                       | pH               | : Not applicable     |
| Smell    | : None                       | Boiling point    | : Not studied        |
| Taste    | : Not concerned              | Explosion hazard | : None               |
| Humidity | : <= 12.0 %                  | Flash point      | : Not studied        |
| Density  | : 250 – 350 g/l (not packed) |                  |                      |

## 10. STABILITY AND REACTIVITY

|                                  |                    |
|----------------------------------|--------------------|
| Stability                        | : Stable           |
| Conditions to avoid              | : Warmth, humidity |
| Incompatible materials           | : None             |
| Hazardous decomposition products | : None             |

## 11. TOXICOLOGICAL INFORMATION

|                      |                                            |
|----------------------|--------------------------------------------|
| Cutaneous irritation | : No irritating in normal condition of use |
|----------------------|--------------------------------------------|

## 12. ECOLOGICAL INFORMATION

|                  |                 |
|------------------|-----------------|
| Biodegradability | : Biodegradable |
|------------------|-----------------|

|                                                                                   |                          |                                                                                           |

|-----------------------------------------------------------------------------------|--------------------------|-------------------------------------------------------------------------------------------|

### 13.DISPOSAL CONSIDERATIONS

Destruction of the product : Incinerate, scatter, compost according to local regulation  
Treatment of empty containers : Depending on their nature

### 14.TRANSPORT INFORMATION

Product not concerned by the regulations of the transportation of dangerous products

### 15.REGULATORY INFORMATION

European label : Not subject to labelling

### 16.OTHER INFORMATIONS

This security data sheet does not replace the technical file. Information included is in accordance with the knowledge of the product at this date. Hazard linked to an unusual way to use the product has not been evaluated. This data sheet does not replace the necessity to the user to know the regulation concerning its activity. All the people in contact with the product have to be informed of the individual safety devices.
